Several athletes received state, division and national recognition this past year, and several teams had outstanding seasons in 2001-2002, including state and regional championships in women's basketball and women's tennis. We were excited to have six students recognized as Distinguished Academic All-American in their respective sports and two students named to Academic All-American in their respective sports. In addition, the following teams received national recognition for Academic Teams of the Year: Men's Tennis No. 1, Women's Tennis No. 2, Golf No. 4, Baseball No. 5, and Softball No. 12. What a year for academic achievement by our athletes! Our congratulations to these athletes, their teams and to the coaching staff!

Our coaching staff is dedicated to providing our athletes with the best training possible, and the opportunity for them to learn and practice good sportsmanship, while enjoying a variety of competitive sports. We deeply appreciate their dedication and hard work to make our athletic programs outstanding.

Cheerleaders

Over the past 50 years, cheerleading has grown from a sideline activity at football games to a televised center-stage athletic event. At Co-Lin, cheerleaders work very hard throughout the year, making cheerleading a year-round sport. The 2002-2003 cheerleaders were selected in the spring with practices beginning the first of May. In addition to all-day practices, the Co-Lin cheerleaders attended cheerleading camp at the University of Alabama in Tuscaloosa. This camp, under the direction of the UCA staff, focuses on advanced cheers, chants, dances, stunting and pyramids.

The Co-Lin cheerleaders also conducted private junior high camps throughout the surrounding counties to raise funds for various cheerleading activities. These camps include choreography instruction in the form of chants, cheers, dances and stunting. At the camps, younger cheerleaders had the opportunity to work one-on-one with Co-Lin's cheerleaders to further develop their cheerleading skills.

The 2002-2003 Co-Lin cheerleaders are Erin Hart, Alexis Johnston, Chan Newell and Whitney Hedgepeth, all of Brookhaven; Stuart Britt of Ruth; Carlos Garcia, Abby Furr, Darell Parker and Maggie Johnson, all of Wesson; Heather DeLaSalle and Jen Graves, both of Natchez; Michael Paul Meadows and Philip Lewis, both of Magee; and Grecian Barnett and Brian Barnard, both of Mendenhall. Matt Anderson of Magee will handle the mascot duties. The cheerleader sponsor is Twyana Morse.

The Co-Lin cheerleaders welcome you to all Co-Lin athletic events.

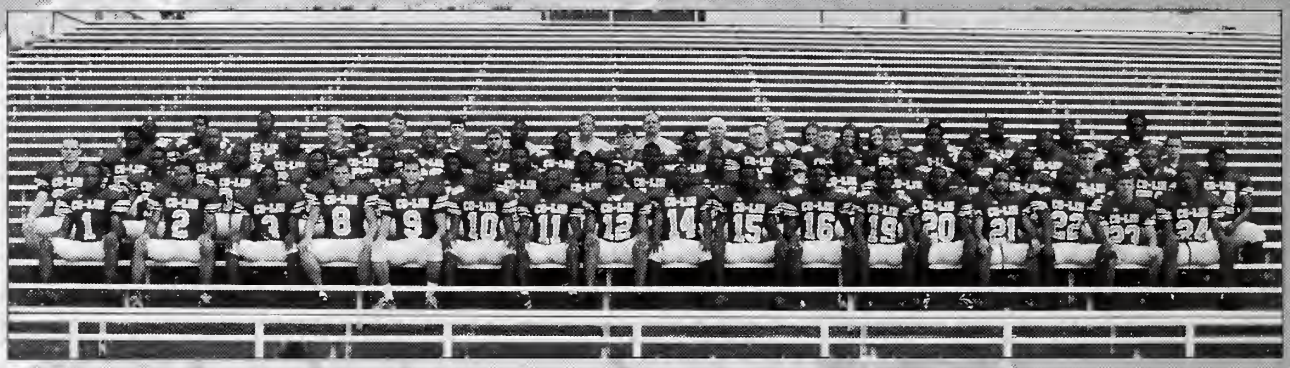
FOOTBALL



With a new coaching staff at the helm the 2002 edition of the Wolfpack will have a new look and high expectations this season. Offensive line coach David Poinsett was promoted to head coach in July after the resignation of David Cross. Poinsett has added former Northeast Community College head coach Laurin Collins and former Georgia Military College defensive coordinator Paul Purvis to the staff. Assistant coach Calvin Green is the only holdover from last year's staff.

"Execution is the key for us this season," said Coach Poinsett. "We have a young, but enthusiastic group of young men. They are eager to learn our system and willing to put forth the effort."

Freshmen Bruce Petty of Marrero, Louisiana and Ty Smith of Natchez will vie for the starting position at quarterback. Sophomores Broderick Jones of Stone Mountain, Georgia and Terrell Showers of Monticello will anchor the offensive line.

Returning in the backfield is Willis Hobbs of Mendenhall. Veteran wide receivers Josh Chatman and Corey Payne, both of Magee, along with Marcus Shannon of Brookhaven should provide excellent targets this season.

On defense, the Wolves will have to replace the loss of all four secondary starters Marcus Winn of Mendenhall (Alabama State), Sidney Wiley of Hazlehurst (University of New Mexico), Odell Bradley of Hermanville (Mississippi State University) and Aaron Pitts of Monticello (Middle Tennessee State).

Other key defensive players returning are linebacker Don Expose of Brookhaven.

The kicking game will be in good shape with sophomore Jimbo Thornton of Mendenhall handling the kicking duties along with freshman Thomas Garland of Copiah Academy.

"JUCO football in Mississippi has a tradition of being strong," Poinsett said. "Three of our opponents this season are ranked in the top 25 in the NJCAA preseason poll. Jones, Hinds and Mississippi Delta are ranked 7, 18 and 25 respectively."

Poinsett, his staff and the Wolves are enthusiastic and excited about the 2002 season.

Wolves return veterans, add talented freshmen

After finishing the 2001-2002 season 7-15, the Wolves will return one starter. Coach Sims is excited about the 2002-2003 season with the return of nine players and a talented freshman class.

Along with the valuable leadership and experience from the sophomore class as well as signing some talented freshman the season looks exciting. Coach Sims said, "I am looking forward to the upcoming season and believe that on paper this team has a chance to do some exciting things."

With leading scorer Jason Scott returning, the Wolves could have an excellent year. Women's Basketball

Lady Wolves win State and Region championships

The Lady Wolves finished the 2001-2002 season with a 26-4 record, a regular season first place finish, 2002 MACJC State Champions, 2002 NJCAA Region XXIII Champions, and another trip to the 2002 NJCAA National Tournament.

The Lady Wolves will return eight players with one full-time starter. Coach Young is excited about the possibilities for the 2002-2003 season with the return of the experienced sophomore class and a talented freshman class.

The sophomore class should bring a lot of valuable experience and leadership to the 2002-2003 team.

"We have many key position to fill in this year's line-up, but I feel with the depth that we have, players willing to work hard, and with leadership from our sophomores that we can compete in the tough MACJC conference."

Lindsay Altman and Tiania Burns returns as the only full-time starters. Nikki Blakely, Ayme Beeson, and Shaquita Smith will bring valuable experience to this year's team. Tiania Burns, a 5'7" guard from Pearl Cohn High School in Nashville, Tennessee, averaged 22.9 points per game and 6.7 rebounds and was named First Team All-State, All-Region XXIII, All-Region XXIII All-Tournament Team, and First Team All-American; Lindsay Altman, a 5'10" forward from Brookhaven Academy averaged 5.1 points per game and 3.8 rebounds; Ayme Beeson, a 5'4" guard from West Monroe High School averaged 2.3 points per game and 2.2 rebounds; Nikki Blakely, a 5'9" forward from Brookhaven High School averaged 4.9 points and 4.0 rebounds; Shaquita Smith, a 5'11" forward from Jefferson County High School averaged 6.6 points and 5.2 rebounds; Sherkia Harried, a 5'4" guard from Jefferson County High School averaged 3.1 points and 1.0 rebounds; Monica Townsend, a 5'8" guard from Loyd Star High School averaged 1.4 points and 1.0 rebounds; Erica Bennett, a 6'2" center from Natchez High School will return for one additional season after two years in the military; Roberta Johnson, a 5'7" guard from Enterprise High School averaged 2.2 points and 2.4 rebounds in 4 games after a season ending injury.

Baseball

Wolfpack looking for mixture that will make the "DIAMOND" shine...

The diamond at Sullivan Field, on the campus of Copiah-Lincoln Community College, will display a whole new look in 2003. Gone are eight position starters and four pitchers who saw a lot of playing time. These included six players who have signed to play at major universities.

Several old faces will help build a foundation on which the 2003 squad will be built from. These include catchers Aaron Oberschmidt, Chase Coley and Jeb Lee who are the leading candidates to fill the shoes of David Gray, who signed with the University of New Orleans. Paris Dancy is the lone returning starter in the outfield, Arlandus Brown signed with the University of West Alabama. There will be no returning players in the infield as first baseman Seth Lofton and second baseman Matt Lea signed with the University of West Alabama. Also missing will be NJCAA All-American shortstop Kyle Beall, a signee with the University of Coastal Carolina. The pitching staff lost Mississippi State recruit Derek Atkins, but will count on returning pitchers Cole Zumbro, Kendall Poole, Mitch Mangum and Michael Edwards.

Newcomers that have been signed to compete for these positions are infielders Ben Goza, Cayce Wallace, Aaron Guillot, Brandon Hubbard and Diego Nucete. Outfielders that are competing will be Jeffrey Waycaster, Casey Ginn, Ben Davis and Joey Sullivan. Adding to the strength of the mound will be freshman Lance Deville, Tyler Perrett, Cass Brister, Jacob Leggett and Matt Fitzsimmons. There will be several walk-ons that could very well work themselves into a role as fall practice gets underway.

Veteran Coach Keith Case, who starts his twentieth year as head coach, with the last eleven being at Co-Lin, will head the coaching staff. Coach Pete Young returns for his fifth year as mentor of the Wolfpack pitchers and catchers. Managers Walt Davis and Anthony Fox support the coaching staff as does student trainer Deke Purdy. Veterans in the press box will be Dennis White on the PA (entering his 11th year) and Chad Coon on the radio. Natalie Davis, who enters her fourth year with Co-Lin sports information, will supply stats and public information. She will receive stats from Kayla Allen and Leah Davis.

Working to build on last year's 27-19 record, the Wolfpack will consider the fall to be a very valuable time. Trying to find the right combinations, as well as making the adjustment to baseball at the NJCAA level, will be ever more demanding in 2003 because of the overall team youth. The potential is there for the Wolfpack to be continue being one of the top teams in the state. The veterans bring experience and the freshman bring that new burst of excitement and enthusiasm...the mixture of which could be the one needed for Co-Lin to be playing baseball late in the spring.

With only five returning players, the Lady Wolves faced a challenge in 2002 as they tried to repeat as South Division Champions and improve on a second place finish in the MACJC State/Region 23 Championship. Assistant coach Johnny Williams stepped up to take the head coaching position from long-time coach David Smith. Smith retired to assume additional duties as assistant dean of students.

The Lady Wolves ended 2002 with a respectable 11-16 record. Off the field the Lady Wolves were the No. 12 Academic Team of the Year led by sophomores Jenny (All-Region 23Team selection) and Janet Chapman of Franklin County who were named Distinguished Academic All-Americans.

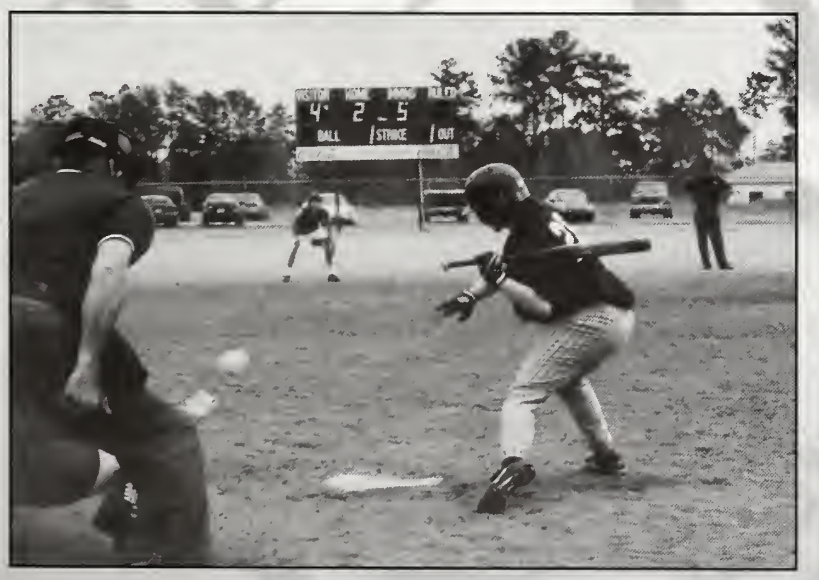
Returning from last year's team along with the Chapman twins were outfielder Tonya Johns of Brookhaven (a 2001 All-Region 23 Team selection), Kristi Moak of Brookhaven and Davina Sandifer of Hazlehurst.

"We had a great group of kids to work with," Williams said, "We are proud to be No. 12 in the nation academically."

The upcoming season looks promising as Allen Kent takes over as the head coach. "We have a talented group of freshmen coming in and a veteran group of sophomores," Kent said. "Coach Williams did an excellent job of recruiting." Williams will remain as an assistant coach along with Johnny Ralph Smith.

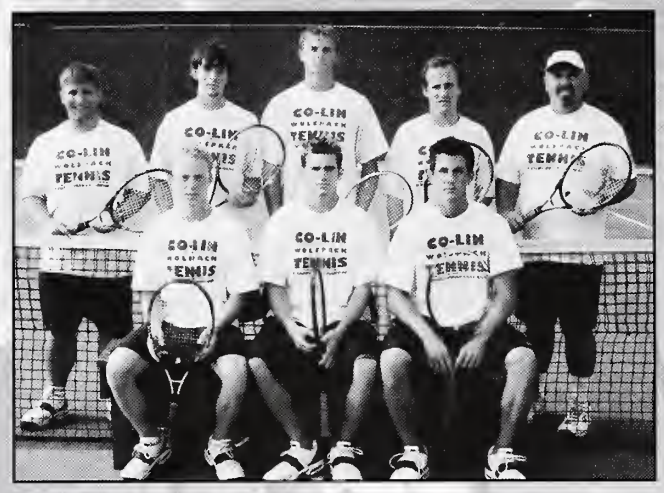
Returning for 2003 are Jerrica Boutwell, Danielle Ross and Casey Ward, all of Lawrence County; Dana Coke of Loyd Star; pitcher Katie Fallin of Caldwell Parish, Louisiana; Kelly Fuller and Krystal Groom, both of Natchez.

A bumper crop of freshman include Kail Baldwin of Wesson, Holli Bass of West Lincoln, Ashley Davis and Stephanie Dexter, both of Lawrence County; Elise Dixon of Amite School Center, Jennifer Doty of Florence, Ginny Dunaway of Brookhaven, Holli Hankins of Adams Christian, Whitney Hedgepeth of Loyd Star and Katie Rouch of Alexandria, Louisiana.



MEN'S TENNIS

Wolves No. 1 Academic Team of the Year



An "up and down" year for the Wolves men's tennis finished on a very high note with the team being named the #1 team in the Nation in academics. Although the team finished with a 12-7 won loss record and third in the MACJC State Tournament, three players earned Academic All-American (two players were Distinguished Academic All-Americans) honors and led the team to a national championship "Academic Team of the Year." The team GPA (3.559) was not only the highest in the nation among men's NJCAA tennis programs, but was also the highest among all men's sports in both fall and spring.

"Needless to say, we're all quite proud of this group of student-athletes," says veteran Coach Mike McIntyre. "We've had two Academic All-Americans on teams in the past, but never three!"

After finishing as State/Regional Runners-up and 18th (with the highest point total among Mississippi teams) at the NJCAA Nationals at Tyler JC in 2001, we were certainly hoping for a similar result in 2002. The Wolfpack was among the National Top 20 teams in the fall ITA (Intercollegiate Tennis Association) poll. But, after losing five players for various reasons at the Christmas break, we had to do some heavy-duty mid-year recruiting just to field a complete team. Although we had three returning players from the 2001 squad, we had to scramble to fill out the roster at the Spring Break.

Returning from the National Top 20 2001 squad were #1 singles Mark Caldwell of Lake Charles, Louisiana ('01 #2 doubles state/regional champ), #2 Chad Smith of Brookhaven ('01 #4 singles state/regional champ) and #3 Big Steve Carter of Natchez. Making a lot of progress in the fall program were freshman Ben Lambert and Clay Ladd both of Monticello.

"Caldwell did an outstanding job for us playing #1 singles, finishing among the state's top four singles players in both his freshman and sophomore years. Mark will be hard to replace for 2003. He lost to the state/regional tournament champ in the semi-finals and completed his CL career with a 30-14 singles record and a 36-8 doubles worksheet (no. 4 seed in #1 doubles with Chad Smith in '02 losing in the tournament semi's and #2 state/regional champ with Jason Pierce of Monticello his freshman year). A two-sport man that will also be hard to replace is Smith (also on Coach Dennis Sims' Wolves basketball team) at #2 singles. One of three Wolfpack Academic All-Americans, #2 Smith finished with a career singles record of 31-11 (including the '01 #4 state/regional title) and as a state/regional top four seed in #1 doubles with a record of 30-12 (with Caldwell in '02 and Richard White of Natchez as a freshman). Big Steve Carter at #3 singles is a third sophomore which will be missed, finishing his CL career with a 25-15 singles record and a 11-9 doubles tally (Carter was a #5 singles specialist his freshman year). Lambert played #4 singles last spring and had mixed results during his rookie season with a 10-10 record and teamed with Carter at #2 doubts for a 10-9 worksheet. Even though he was recruited at Spring Break and was recovering from an injury (he broke his hand at the end of December), DeBold wound up collecting a 13-6 record playing #5 singles (losing only to the state/regional champ in his bracket) and partnering with Mike McIntyre, Jr. (another mid-year recruit and CL's doubles specialist) on the #3 doubles team which was among the top four seeds at the tournament. The late-corner duo of DeBold and McIntyre lost to the state champs in the semi's. In addition to putting together a 14-6 record in doubles, DeBold and McIntyre earned the distinction as Distinguished Academic All-Americans for their classroom work.

Playing at #6 singles, Ladd managed to be among the top four seeds in his bracket at the state tournament and accumulated a 14-5 record as a singles specialist.

Graduation claimed five of our seven players from the '02 squad with only Lambert and Ladd scheduled to return. We have a number of good looking freshmen coming into the program in the fall. Jeff Williams of Silliman Academy (LA) and Bert Rocconi of Cleveland, MS are two of our top freshman with considerable high school playing experience. Other local stars are Anthony Rogers of Lawrence County and Ryan Canon of Brookhaven Academy.

"We just didn't have very many senior tennis players graduating in our Co-Lin district this past spring. We may have to conduct another mid-year recruiting campaign, since our numbers are looking very slim for the fall."

Women's Tennis

Lady Wolves earn No. 10 National ranking

The 2002-03 Lady Wolves tennis team will attempt to improve upon an incredible year in 2002. Co-Lin reached the highest National ranking finishing 10th in the Nation, 2nd in the Nation in academics and was undefeated on their way to winning the State and Regional Championships.

"Each year we try to raise the bar of excellence in both athletics and academics here at Co-Lin. We'll strive toward excellence again this year with a team that will have people talking," said Coach Brenda Smith.

Individual accomplishments include Jessica Phillips of Wesson and Bethany Barr of Simpson Academy reaching the semi-finals of the National Tournament in singles. No. 1 doubles team of Lindsey Phillips of Brookhaven Academy and Holli Adams of West Lincoln won the consolation bracket at Nationals. Co-Lin won all nine State Championship flights in both singles and doubles; all are the best-ever finishes for Co-Lin.

Graduating sophomores Mary Ann Jones of Wesson, Barr and Adams leave Co-Lin with a 32-1 dual match record. Their extraordinary work ethic is a model for all future teams to follow.

"Last year's team was obviously the best I've ever coached and those sophomores exemplified that hard work is what makes you a champion," said Coach Smith.

Leading this year's team is the "Fab Four" of Lindsey Phillips, Jessica Phillips, Kimberly McBride of Brookhaven High School and Ashley Matthews of Franklin County. All are State Champions and won matches at the National Tournament. Lindsey has exceptional speed and strength and she raised the level of her game at Nationals playing both No. 1 singles and doubles. Jessica lost her only singles match in the semi-finals of Nationals, and with her quickness and wide variety of shots the National finals is possible. Kimberly is the smartest player on the team with a killer serve and forehand. She is looking to win her third consecutive team State title. Ashley improved tremendously last year, as it was her first year to play tennis. Her 6-1, 6-0 win in the State Championship tells how far she came with her knack of being at the right place at the right time.

Newcomers include Ashley Hall of Brookhaven High School and Kathy Phillips of Brookhaven. Ashley played singles at the beginning of the season and finished on the girl's doubles team that played in the State Tournament. Ashley has speed, a great serve and is a competitor.

So what will everyone be talking about? Kathy Phillips joins the team as a grandmother and as No. 1 singles/doubles player Lindsey Phillips' mother. That's right, Co-Lin will have their first mother/daughter duo on the team.

"I think this is so inspirational! Not only will she be attending her first college classes but she'll play a varsity sport on a team in the Nation's top ten. I'm thrilled to have her as a player and she serves as an inspiring example of the limitless possibilities if we only have the courage to pursue them," said Coach Smith.

Women's Soccer

The Lady Wolves soccer program ended the 2001 season with a 3-5-2 record. It's best yet. Despite losing nine players at graduation and one to a transfer Coach Carolyn DiPaolo is optimistic about the potential of the 2002 season.

"Even though it will be a rebuilding year we have a lot to look forward to this year. Our schedule has been increased from 10 to 18 games. We have a tournament on the coast the beginning of the season that will give us a look at some of our new opponents. We missed play-offs last year by one point. Our goal this year is to be in the play-offs!"

Shortly after last season ended, recruiting for the new season began. With the new recruiting guidelines for 2002 it opened opportunities for players from other districts to be available to Co-Lin. Rebuilding is a challenge but it always brings new talent to the forefront. Many of the new Lady Wolves will have an opportunity to make an immediate impact when they take the field.

The Lady Wolves soccer program had their first player sign to a Division 1 college program. Lauren Alsbury is currently training at Arkansas State University.

"We lost players in our forward and defensive positions who are going to be hard to replace," said Coach DiPaolo. Lost in 2002 were Janet and Jenny Chapman, Brandy Barr, Ashley Marler, Lauren Alsbury, Sarah Grice, Heather McKinney, Christy Ivey, Tonya Johns and Amber Blake.

"We may have to shift some of our returning players to new positions," said Coach DiPaolo.

Returning players are Elaine Berry, Courtney Dickey, Angela DeLaughter, Beth Ryan, Eugenia Knighten and Danielle Ross. New players for 2002 are Leanne McKinney, Lisa Moore, Jerrica Boutwell, Kelly Graves, Holly Parker, Amie White, Erica Rollins and Devine Porter. "There is raw talent there and it is going to take work and dedication on the part of the players to be the best yet!"

Men's Soccer

Beginning its fifth year of competition, the 2002 men's soccer team is full of potential and high expectations. Coach Mike Assink has assembled the best players in the district, with the exception of one "out of stater."

Offensively, Coach Assink has signed four top high school scorers in Arrmon Abedikichi of Magee High School, Kerry King of North Pike High School, Matt McGehee of Brookhaven High School and Hilik "Kili" Haviv of Israel. Haviv is expected to be the team's playmaker.

Sophomore Josh Young of Brookhaven will anchor the defense. Although this year's team is young (16 freshmen and two sophomores) and lacks experience, they will bring enthusiasm and skill to the field every game.

This should be a very successful year for Co-Lin's men's soccer program.

GOLF

Wolves Second in the Region, No. 4 Academic Team of the Year

The Co-Lin golf team had another successful year on the course finishing second in the Region XXIII Division III Championship and fourth in the MACJC State Overall Golf Championship. This team also excelled in the classroom finishing No. 4 in the Nation NJCAA Academic Team of the Year.

Sophomore Matt Mooney of Brookhaven finished second in the NJCAA Division III National Tournament in Chautauqua Golf Course in Chautauqua, New York and was named First Team All-American and Distinguished Academic All-American.

Members of this year's team are Mooney, Ben Huey and Chris Nations, all of Brookhaven; Joey Young of Gardendale, Alabama; Jonathan Halley of Natchez and Zach Baldwin of Mendenhall.

The 2003 team looks "very promising," according to third year coach Chuck Holloway. The return of Young (2002 National Tournament participant), Halley and Baldwin will provide leadership and experience. In addition Trent Maddox from Loyd Star's state championship team
